The ladies of Toledo will give a leap year dance at Woodman Hall tomorrow (Saturday) evening to which everybody, especially the young men, are invited. This is the first ladies' dance of the season and a good time is anticipated. Boys, come its all free. The girls foot the bills.

The dance given at Woodman Hall last Friday evening by the local Fire Department was one of the most successful affairs of the kind ever held in Toledo. Several visitors from neighboring towns were present. Over 80 tickets were sold, and as a result the fire boys have added \$54 to their funds in the treasury.

Wm. F. Keady of Waldport, whose announcement as a candidate for the office of Commissioner appears in another column, is one of Lincoln county's enterprising business men. He has been for several years a resident of Waldport and is well acquainted with Lincoln county and is well qualified for the office for which he seeks.

County School Superintendent George Bethers announces his candidacy to the office of Superintendent to succeed himself. Mr. Bethers needs no introduction to the voters of this county. He has held the office to which he aspires for re-election for the past eight years. He has filled the position satisfactorily and our people know that should he be re-elected the office of School Superintendent will be in charge of a man well qualified to superintend the schools of our county.

Waldport Items

If you have not been in Waldport lately please be prepared to open your eyes when you do come. The town has been improving wonderfully and many new buildings are being erected. The buildings are mostly of the better kind and present an air of prosperity. The Waldport Lumber Company is improving its property and has purchased a tract of cedar to be used for shingles. Everybody looking for work has it, and taken altogether the last six months has meant much to Waldport.

Friday February 21st was Social night for Ocean View Assembly Number 192, United Artisans. After a short session the doors of the hall were thrown open and a large number of friends were welcomed. While all were enjoying themselves within they were very much surprised to hear the band strike up a lively two-step and the officers of the lodge immediately invited the band to enter. After a splendid repast consisting of the usual "goodies" and to which all present did justice, the floor was cleared for dancing which continued to a late hour.

The Saturday night dances given by the band are becoming quite popular and are resulting in quite a revenue. Refreshments are served at every dance much to the delight of all.

Mr. Kent, owner of the hall has promised to put a stage in the hall and when this is done the boys contemplate giving a play or minstrel show.

Friday night a Leap Year dance will be given at which the usual order of things will be reversed and the ladies will be "allowed" to pay the entire expenses of the evening.

School Notes

Several pupils have been away from school this week on account of sickness. There was an election of officers at the meeting of the Rotary society last Friday evening and the following officers were elected: Thomas Hawkins, President; Carl Gildersleve, Secretary; Jesse Plunkett, Sergeant at Arms.

The marble season is now here and marbles are all the go.

G. A. Hall this week installed a seven lamp Standard Gillett gas light plant at the court house, and also in his pool room. This gives a brilliant white light and is a great improvement over the old light used.

Stanley Pritchard who has been visiting M. N. Anderson and family the past several months left Wednesday morning for Portland. He went horseback, by the way of Falls City and he may find it a little bit muddy.

Charles Bradeson, Superintendent of construction for the Lincoln County Telephone Company, is building a line this week to the R. A. Anderson boat works, which is also to be extended on up Mill creek. We understand that the company expects to build about sixty miles of line this coming summer.

How about your bee supplies? Are you ready for an early flow of honey? Remember the first flow of honey is by far the most delicious. Most beekeepers lose the first and best flow of honey because they don't give their bees a chance. I can furnish you every thing in the bee-business line at Portland prices. Krogstad's Bee Supply Store.

In celebrating the opening of the new electric interurban line between Portland and Salem on February 18th, the latter city entertained numerous delegations from the various cities of the Willamette Valley. Over a hundred business men went from Portland in two special cars. Great enthusiasm was aroused by the speeches of both visitors and Salem men, and all united in emphasizing the necessity for wide-awake, aggressive advertising to develop both city and country. Salem contemplates an immediate campaign as a result.

Judge McFadden received notice yesterday that another victim of his vigorous administration as district attorney had been compelled to fork over \$250 as a fine for violation of the local option law at Eugene. The new sum raises the total of fines paid into the Lane county Treasury during his administration of but eight months to \$3,000. During the same time the total of the fines collected in Lincoln county is \$950, making the total during the eight months of \$3,950. During 11 months preceding Judge McFadden's term, no fines had been collected in Lincoln, although it was notorious that conditions there were almost wide open. The fines collected in eight months lack but \$50 of being double the district attorney's salary for a year, which is \$2,000. A valuable adjunction to good society is an efficient officer who is fearless in the discharge of his duty, and that is the class in which Judge McFadden is to be found. He has, like all aggressive men, aroused occasional dislikes, and has been a few times animated against, but when he is put on the earthworks in official capacity there is certain to be good hard slugging, if necessary for the public defense.—Corvallis Times.

Ordinance No. 69.

An Ordinance to amend Ordinance No. 56 entitled, "In the matter of regulating the salaries and fees of the subordinate officers of the city of Toledo."
